

12th Annual CAFS IAB Meeting

Athens, GA

June 4-5, 2019

*Hosted by the University of Maine,
Center for Research on Sustainable Forests*

Final Agenda

Tuesday, June 4, 2019		
IAB Meeting, Hotel Indigo		
Time	Item	Presenter
7:30 AM	Continental Breakfast/Registration Pre-Function Lounge Area	-
8:00 AM	Welcome/Introductions	Aaron Weiskittel, UM Dale Greene, UGA
8:15 AM	CAFS Lead Site & Phase III Update	Aaron Weiskittel, UM
8:45 AM	Open Discussion on CAFS Phase III	All
9:20 AM	CAFS Assessment Coordinator Update	Steve McGregor, Assessment Coordinator
Final Project Reports		
9:30 AM	13.46. Linking growth modeling to product quality for loblolly pine	Joe Dahlen, UGA
9:50 AM	15.60. Assessing stand characteristics of enhanced genetics in Loblolly Pine Plantations in the Southeast	Bronson Bullock, UGA
10:10 AM	16.68. Response of superior western larch families to site quality and competition control	Nelson et al., UI
10:30 AM	<i>Coffee Break</i>	

10:50 AM	16.69. Stand and tree responses to late rotation fertilization	Turnblom et al., UW
11:10 AM	18.71. Development of small tree growth and survival equations for the commercially important species in the Acadian Region	Aaron Weiskittel, UM
11:30 AM	18.72. Modeling the influence of Spruce Budworm on Forest Productivity	Aaron Weiskittel, UM
11:50 AM	Discussion on Final Projects	All
12:00 PM	<i>Lunch-Upstairs in Madison Bistro</i>	
<i>Continuing Project Updates</i>		
1:00 PM	16.67. Improving white pine seedling survival by combining blister rust resistance with defense-enhancing endophytes	Newcombe et al., UI
1:20 PM	18.73. Aboveground Nutrient Biomass on LTSP Sites as influenced by Site, Harvest Removals, Weed Control, and Compaction	Kim Littke, UW
1:40 PM	18.74. Environmental predictors of form and quality in loblolly pine.	Cristian Montes, UGA
2:00 PM	Discussion on Continuing Projects	All
2:20 PM	Coffee Break	
<i>New Projects</i>		
2:50 PM	Assessing and mapping regional variation in potential site productivity	Rachel Cook, NCSU
3:10 PM	Assessing and mapping regional variation in site carrying capacity	Mark Coleman, UI
3:30 PM	Discussion on New Projects	<i>All</i>
4:00 PM	IAB Closed Door Business Meeting	IAB Members
4:00 PM	Site Directors Business Meeting	CAFS Site Directors
5:00 PM	Adjourn	-
6:00 PM	Dinner Highwire Lounge at Trapeze Pub (269 Hull Street, Athens)	

Wednesday, June 5, 2019

Joint CAFS-CSLN Field Trip Hosted by UGA and WY

06:30 AM	Continental Breakfast in "Art Gallery" by Lobby To-go coffee cups will be available	-
07:30 AM	Bus departs from near front lobby	-
07:45 AM	UGA Whitehall Forest PMRC Accelerated Pine Productivity Study (CAPPS)& Portable Ground-based LiDAR)	Cristian Montes, UGA
08:40 AM	Travel	1:15 hr
10:15 AM	PMRC and Weyerhaeuser Rain Exclusion PINEMAP site	
11:15 AM	Travel	30 min
11:45 AM	Lunch on Site	-
12:15 PM	PMRC SAGS Culture Density Study near Union Point	Cristian Montes, UGA
01:15 PM	travel	30 min
01:50 PM	PMRC Mid-Rotation Culture and Thinning Response Trial	Bronson Bullock, UGA
2:45-4 PM	Travel back to hotel	1:15 hr
6:15 PM	Dinner at DePalma's Italian Café (401 E. Broad St., Athens)	

University of Idaho
