| | N of Member Firms Attending | N of Member Representatives Attending | N of Students Attending | N of Faculty Attending | Estimated Membership Fees Generated (Total \$) ¹ |
|--------------------------|-----------------------------|---------------------------------------|-------------------------|------------------------|---|
| University of Maine | 9 | 15 | 3 | 3 | \$277,142 |
| University of Idaho | 8 | 9 | 0 | 4 | \$327,823 |
| University of Washington | 16 | 27 | 0 | 4 | \$440,988 |
| NC State University | 2 | 2 | 4 | 1 | \$30,500 |
| Oregon State University | 15 | 25 | 3 | 5 | \$326,853 |
| Purdue University | 4 | 4 | 6 | 5 | \$175,000 |
| University of Georgia | 18 | 25 | 2 | 2 | \$327,823 |
| TOTAL: | 72 | 107 | 18 | 24 | \$1,901,556 |

How many industry guests attended the meeting (company & number)? 32/54

Other significant information (concerns or success stories):

¹ Support reflected in current membership agreements not actual payments to university.

- Strong attendance across both days
- Good balance between IAB members and university sites
- Breakout rooms provided important networking opportunities
